Appendix to Whistleblowing Policy

Keeping children safe in education is statutory guidance that schools and colleges in England must have regard to when carrying out their duties to safeguard and promote the welfare of children.

It is essential that everybody working in a school or college understands their safeguarding responsibilities. Governing bodies and proprietors should ensure that those staff who work directly with children read at least Part one of the guidance.

Any concerns regarding Safeguarding should be reported to the Designated Safeguarding Lead, in line with our Safeguarding Policy (which can be found on our school website).
